REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-3, 5-19 are allowed primarily because the prior art of record does not appear to teach the claimed inventions as now claimed in amended claims 1-3, particularly with regard to the limitation concerning the surface of the second inorganic insulating film as in claims 1 last two lines, claim 2 line 10-11, and claim 3 lines 9-10, taken in the context of the remaining limitations, layer structures, and respective layer materials in the respective claims. There does not appear to be suggestion to combine the prior art to arrive at all the claimed limitations in the claims delineated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
